

INTERACTIVE NEPHROLOGY AND COMPETENCE DEVELOPMENT

16-18 th of May, 2019
„Kauno dokas“
Jonavos g.7, Kaunas

Good relation between neighbouring countries is very important. Our countries have long lasting mutual history. Our future depends on young people, their communication and approach of each to other.

The purpose of this meeting in Kaunas is to bring together younger nephrologists from neighbouring countries and to build stronger relation for closer collaboration in future.

*President of Lithuanian Association of Nephrology,
